STIPULATION TO MODIFY SCHEDULING ORDER

The parties having completed most of the discovery in the above-captioned case, but having encountered previously-unexpected delays in completing the remaining depositions in this case due to the schedules of the witnesses and counsel for the parties herein,

Because of the foregoing, the parties, through their counsel, hereby stipulate to amend the scheduling order herein of October 12, 2016, as modified by the order of September 5, 2016, as follows:

1. All requests for discovery on all claims shall be served by a date sufficiently early so that all discovery in this case can be completed no later than January 8, 2018, rather than the previously-set date of November 1, 2017.
2. Any dispositive motions must be served and filed on or before February 1, 2018, rather than the previously-set date of December 1, 2017.

3. The remaining provisions of the stipulation of September 1, 2017 and the order of September 5, 2017, relating to discovery, non-dispositive motions, and settlement, remain in full effect as though fully set forth herein.
